

2-Day Private Pilot Ground School

Friday & Saturday, June 16-17
8:00 am - 6:00 pm

Wisconsin Aviation—Madison

For anyone in training, thinking about training, or those looking for a refresher, an accelerated ground course is the most efficient way to thoroughly prepare for the FAA written, without spending the typical 3 hours/week for 12 weeks.

Course Fee:
\$295 plus
books & supplies
