- Spot Removal of Headliner
- Lavatory Cleaning
- Trash Removal
- Mirrors / Plexiglass / Windows
- Wipe Down of All Wood
- Cockpit Dusting
- Vacuuming Carpets in Cabin and Cockpit
- Cleaning and Conditioning Leather

CARPET EXTRACTION

Wisconsin Aviation Detailing “extracts” the carpet in the cabin and cockpit by using a surface treatment and cold water extraction that not only cleans the carpet, but also removes 98.5% of the water applied. Carpeted surfaces will be completely dry within 2-3 hours after this service has been performed, leaving the carpet cleaned and deodorized.
